HERE'S LOOKING AT NU...
2003-2004

Price Laboratory School

Northern University High School

College of Education
University of Northern Iowa
Cedar Falls, Iowa

Class of 2004 Yearbook

Price Lab School/NU High

Student Profile

The student body of PLS/NU High represents a cross section of the Cedar Valley community. The 2003-04 enrollment in grades pre-12 was 362 students, with an additional 53 students in the UNI Child Development Center. PLS/NU enrolls students in programs from pre-kindergarten through grade twelve and includes children as young as six weeks of age in the UNI Child Development Center.

The PLS/NU enrollment includes students from American, racial and ethnic minorities and those from other countries, those who receive free and reduced lunch, and those who have special needs. A defined attendance zone surrounds the school for Cedar Falls students in grades K-6, although elementary students may open enroll from outside the Cedar Falls school district. Middle and high school 7-12 students may enroll from the Cedar Falls community and open enroll from other communities. The Child Development Center accepts children of parents who are UNI students or employees at UNI.

Mission

- ⊙ Serve as an integral component of the University of Northern Iowa's teacher education program.
- ⊙ Engage in scholarly work and service to advance teaching practices and provide resources for teachers in Iowa and beyond.
- ⊙ Provide an excellent and innovative education for the early childhood through grade twelve students who attend Price Laboratory School.

About Laboratory Schools ~

To be a laboratory school, two factors must be in place. First the school must be affiliated with a college or university. Second, laboratory schools have as their primary mission the training of teachers, the expansion of research and the development of curriculum. There is only one pre-kindergarten through grade twelve comprehensive laboratory school in Iowa – Price Laboratory School at the University of Northern Iowa. Price Lab School is a public school governed by the Board of Regents and a department within University of Northern Iowa's College of Education.

Grades 1 & 2

The focus of study of Unit II during the 2003-04 school year was "Communities." Highlights for the year were building milk carton neighborhoods, learning about wellness, a trip "down under" for an Australian beach party, celebrating the African arts and exploring the ocean life, and wading through Iowa ponds! We ended our year with a celebration of the world and how we can be responsible friends to our planet earth.

Grade 3

Mrs. Guenther's third grade class had a productive and successful year with interesting activities. In the fall the students shared their family heritage reports. In the spring the students performed in the musical *Star Search*, which integrated the astronomy unit. In April the students created and presented their video on citizenship at the elementary citizenship assembly. The students went on field trips to the Hearst Center, The Grout Museum and the Gallagher-Bluedorn Performing Arts Center. It was a great year!

Grade 4

The fourth graders engaged in many fun and academically challenging activities this year. They enjoyed two skating parties, attended a symphony, learned about President Lincoln from a Lincoln impersonator, met a famous children's author, watched several author presentations given by UNI Elementary Curriculum students, wrote to pen pals at UNI, had two sets of UNI Math Friends and UNI Expressive Arts friends, participated in the first UNI Science Conference for elementary students, and received lots of one-on-one attention.

Students were challenged according to their individual level of interest and need. Throughout the year, we had math and literature clubs during recess/lunchtime, and approximately once a month, we had a class auction. Many students made substantial academic and social growth. Great job, fourth graders!

Grade 4

The fourth grade students have done many things to prepare themselves for the fifth grade and beyond. They have visited a real prairie, enjoyed two skating parties, written to pen pals at UNI, worked with two sets of UNI Math Friends, participated in the first UNI science conference for elementary students, and completed many academic projects including the webquest, Sarah, Plain and Tall.

It has been a good year for this group of fourth graders. Many students have taken positive strides not only academically, but also socially. Great job fourth graders!

Grade 5

Fifth grade was a very exciting and productive year. The students learned a lot about building a caring community and collaborating with their peers. Service learning projects were an important part of our curriculum. We adopted a family through the Salvation Army, did an intergenerational writing activity with the residents at the Western Home, and wrote letters of support to our troops overseas. We also went on field trips all around the Cedar Valley including productions at GBPA, the IMAX in Cedar Rapids to see the Lewis and Clark movie that celebrated the 200th anniversary of their expedition, and finally to Des Moines to tour our state capitol building. It was a busy and fun year! Thanks for the memories fifth grade!

Grade 6

Highlights of sixth grade math and science this year have included our many fun activities. We went canoeing and learned about Iowa ecosystems during our trip to Hartman Reserve. We dissected an owl pellet and reconstructed the skeleton. Although usually the animals we find in our owl pellets are rodents, Karen discovered our first bird in an owl pellet this year.

We had two sets of UNI math partners both semesters this year, so we met and learned from at least four UNI math partners. After school, several UNI students provided a math enrichment program. We had fun learning about math and culminated our year with a visit by a chemist. Our sixth grade Math Bee team, Alex Entz, Jalen Bergman, Eddie Diemer, Keith Hansen, and Will Rector, won 5th place out of the 32 AEA 267 teams that participated. We ended our year with rock wall climbing and hiking at Backbone State Park.

Grade 6

Sixth grade was a great experience for the students in the class. We went on two field trips to the Mississippi River Museum in Dubuque and Hartman Reserve, and got to see crocodiles and exotic fish. We created an awesome website, as well as numerous other projects on the computer including webquests and interactive reports.

We loved sixth grade and wish we could do it again. Our performance of A Christmas Carol was fun too. We had a good time with Ms. Truka when we went to the art exhibit and got to jump into the fountain. We also went to the Union on campus and ate Mexican food for Cinco de Mayo. Football games and chess matches after lunch were too cool. Sixth grade was such a blast!

 Kent Schrad (Radio News)
 Ashley Dorris (Poetry)
 Sandra King (Storytelling and After Dinner Speaking)

Ashley Dorris made it to All-State Individual Speech in Interpretive Poetry. Congratulations!

Tagtow's Thoughts on Group Speech:

"It was tremendous that we had three groups selected as outstanding speakers (All-State recognition). It was extremely fortunate to have Dave and Linda Schachterle, because they have an extreme talent for acting and interpretation categories. The group speech, especially choral reading, completely out-did themselves."

All-State Speech

Choral Reading did very well this year, and was the only NU group speech group to become an All-State performer. They performed "Crime and Punishment". The group included members, Hannah Buck, Mae Colburn, Allyse Fairbanks, Allison Fryman, Toby Jessen, Sandra King, Ksenyia Pletneva, Anson Poe, Kent Schrad, Joe Traw, Brittany Waack, and Clair and Rob Williams.

There were two ensemble acting groups that made it to All-State, but did not perform. They were Kent Schrad and Joe Traw in "Of Mice and Men" and Hannah Buck and Mae Colburn in "Top Girls"

Recycled Notebooks

National Honor Society(NHS) is a service-based organization that does projects throughout the community and in schools. Members of NHS are selected each fall based on grade point average (3.5 and above), volunteer contributions, leadership qualities, problem solving abilities, dependability, and positive attitudes. These people are cooperative and demonstrate high standards of honesty and reliability. They also demonstrate citizenship by understanding the importance of civic involvement; they have a high regard for freedom, justice and democracy.

Model State Legislature

Front Row, l-r: Sandra King, Mr. Weber, Brittany Waack, Back Row, l-r: Dan Weber**, Joe Traw*, Tim Richmond.

(* selected as party leader, ** selected as assistant party leader, and committee chair)

Model State Legislature

"Model State Legislature is an extra-curricular activity for juniors and seniors. Returning after a two year period when it was not held, (because the Iowa House Chamber was being repainted and redecorated), this program brings over 100 students from across Iowa to Des Moines for two days of activities, in which students role play members of the Iowa legislature. Students write bills, work in committees to rewrite ideas, then debate the issues on the floor of the Iowa State House Chamber. Oftentimes actual Iowa legislators copy one or two of the ideas first presented by students in the following year. Several students from NU High have taken leadership positions and used the experience as major stepping stones to college studies in law, politics, speech, drama, debate, business, education, and many other areas."

Postulant. Ellie Tallakson
Admiral Von Schreiber. Joe Traw

The fall play was a little different for Northern University High School this year. N.U.'s production of the Sound of Music was the first fall musical in the school's history. Co-directed by Jolene Tagtow and Shannon McGuire the plays cast was full of talented students. There were many veteran actors that returned to the stage this year, but also students that took charge in their first theatrical performances, such as senior Ashley Dorris. When asked what she thought about her first performance she answered "After being behind the scenes my previous years in high school, it was a great experience to finally be on stage."

Even the audience members noticed the fresh cast. Senior Stephanie Bremner commented that "it was nice to see some new students on stage . . ." and Andrea Hahn added " . . . especially younger students." The large cast included elementary, middle school, and high school students. This age range provided for an interesting experience on and off stage.

For most students this was a new enjoyable experience, as sophomore Abhay Nadipuram stated "I really like it, it was fun to work with kids of all ages, plus it helped me gain experience as an actor." Northern University High Schools performance of The Sound of Music was as incredible to watch as memorable to everyone who had the pleasure of watching the show.

Special Thanks to the Production Staff, which included Jolene Tagtow as the Drama Director, Shannon McGuire as Music and Choreography Director, Dr. Lyn Countryman in Set and Lighting Design, Accompanist Kerri Mennenga, UNI Student Theatre Work Study students Jaime Weets and Jodi Anderson, Stage Manager Caitlin Tracey, and Assistant Stage Manager Marion Foucault.

Yearbook Class

The Yearbook Staff has dedicated a great deal of time and effort to putting a quality yearbook together for 2003-04. In the fall semester Mrs. Wagoner was in charge of the yearbook, and during second semester Mrs. Dykstra took over the task.

This year administration made yearbook a class so students could receive credit and work on the book during their open class periods. Most of this year's staff were seniors, and all were upperclassmen. The staff included Sara Will, Ashley Dorris, Ashley Ratute, Lyndsey Cochran, Andrea Hahn, Louisa Ensworth, Audrey Hesse, Anson Poe, and Kia Faries.

The Breakfast cart staff - Nick Kollasch, Lauren Page, and Gavin Bast. Not pictured: Sara Will and Ashley Ratute.

2004

Trip to Arica, Chile

A time to remember....

We stayed with host families who all attended el Colegio San Jorge. We would go to school with our host sisters on the weekdays and on the weekends we spent time with our families either going to the beach, going shopping, or to parties at night. We took one overnight trip together to Lago Chungara, the highest non-navigable lake in the world. On this trip we fed alpacas cookies, hiked around the lake, and were amazed by the sights of the volcanoes, the unique wildlife, and the difference in altitude.

The trip was charpered by Mrs. Mary Doyle.

NUHS students with host families enjoying a picnic lunch during their trip to Arica, Chile this spring.

Colegio San Jorge

France 2004

This year the French III class participated in the Franco-American exchange. The class went to Bussy-Saint Georges over spring break and stayed with correspondants who welcomed them into their homes. While the students were not attending Martin Luther King High School in France they were on excursions in Lyon, Blois, and Grenoble. The trip was a success and American students were given the opportunity to experience a different culture.

QUEBEC

French IV: Trip to Canada

CANADA

The NUHS French IV class traveled to the province of Quebec, Canada from April 22nd through April 25th. They were chaperoned by NUHS French teacher Ms. Zwanziger.

The students stayed three nights in Montreal, visiting such sites as Notre Dame of Montreal Cathedral, the Biodome, the Old City of Montreal, the Olympic Stadium, the Latin Quarter, and Chinatown. The group also took a daytrip to Quebec City, where they experienced old Quebec and Chateau Fontenac.

French IV students: Ashley Dorris, Katy Huber, Nick Kollasch, Ashley Ratute, Alden Turner, and Andrea Hahn.

Russian Exchange Trip To St. Petersburg

(Left to Right) Nataliya Mitina, Sean Spencer, Joel Brumm, Marshall Hilgemann, Rick Vanderwall, Stephanie Langenwalter, Tom Nelson, Sarah Bumpus, and Morgan Cawley.

Over spring break this year several sophomores took part in a Russian exchange trip with School #264 in St. Petersburg. The students were in Russia for three weeks. They were accompanied by Rick Vanderwall and Nataliya Mitina. While in St. Petersburg the NU students attended class as well as visited many museums, palaces, and cathedrals. In addition, they visited English classes and partook in crafts. The trip also included outings into the countryside and the historic city of Novgorod.

2003-04 Boy's Swimming

The 2003-04 Boy's Swimming season was full of successes. This is the first year that NU has joined with Cedar Falls High School with Dick Marcussen as the Head Coach. There were three NU representatives on the team; Sam Backstrom (12), Raymond Holz (11), and Alex Stone (10). The team went 5-0 in dual meets. They came in 1st place in their conference, district, and were the state champions. One of the team's captains, Sam Backstrom, recieved a Conference All-Academic award and finished with 1922 power points, Raymond Holz was close behind with 1758.

Volleyball

Front Row (l-r): Molly Warren, Audrey Hesse. Second Row: Mackenzie Carlisle, Katie Hoodjer, Lyndsey Cochran, Stephanie Bremner, Megan Miller, Hannah Wiesley. Third Row: Catie Wiesley, Sara Will, Ashley Granger, Sandra King, Nora Kischer-Browne. Back Row: Assistant Coach Phil McFee, Head Coach Adis Imamovich.

From the very beginning of the season, we set high goals for our team. Newly hired Coach Adis would not settle for anything less than a shot at State. Keeping that goal in mind, we took one game at a time and little by little received a NICL title, District title, and qualified for State. We had done something most teams only dream of. It was a great season, one to always be remembered.

—Sara Will

Senior Ashley Granger used her amazing jumping ability to spike the ball.

Senior Sandra King stays low and ready for the next serve.

Senior Sara Will attacks the ball during a District game.

Juniors Audrey Hesse and Catie Wiesley helped the varsity team out with their quickness and determination.

NU High

PRICE LAB SCHOOL

Graduation

Graduation

May 2004 'Gallagher-Bluedorn

"The Lab School has always been known for its teachers. They inspire us to look inside ourselves and strive to become better. Not only have the teachers provided us with a rich legacy, they built upon the foundation created through the love of our parents. Our parents are among the strongest any school could have. They helped us create the community of our school. Now it is our challenge to decide what legacies we will pass on to others in the future. Let's pass on the best of us to others."

~ Katy Huber, Class President

"I think the personalities of the class of 2004 are truly what makes it great. A lot of us graduating today were here when it was announced that the school was going to close, and we chose to stay at NU, even though it was possible our senior year would be spent somewhere else. I think that says a lot for the character of our class."

~ Dan Weber

"Our class motto is "Today is the tomorrow that we dreamed of yesterday," and I think this fits each and everyone one of us. Everyday up until now, whether good or bad, has been one of our yesterdays. This has been our journey we have taken together as a class and family. Some have been at NU their whole life while others have joined our family along the way. Either way we have many yesterdays to look back on. Now each of us looks forward and dreams of better tomorrows. From here we take a different journey and go our separate ways."

~ Sara Will

"I challenge each of you to become great leaders...someone that is modest, quiet, reserved, even shy. Someone who builds enduring greatness through an unusual blend of personal humility and professional will. Great leaders are seemingly ordinary people quietly producing extraordinary results."

~ Director Nadene Davidson

*WHAT IT TAKES TO RAISE A RED-HEAD:
PATIENCE, PERSISTENCE, PRAYER
(AND A FLEET OF GUARDIAN ANGELS!)*

Dear Nick,

I prayed for a spunky little redhead! Now I see you growing into a wonderful man and I know that your energy and inquisitive, creative mind will take you far in life! I love you dearly, Mom.

To Nick: King of the Wild Things

Life has never been boring with you as my brother!

*Congratulations and good luck -
Love, Hannah*

THE RAZOR'S EDGE

HAIRSTYLING & TANNING

2211 COLLEGE

268-1682

OPEN MON.-FRI. 8:00 SAT. 8:00-5:00

Dear Sandra,

Who knew back then when you were our little shy toddler, that you would grow up to be such an amazing young lady. The confidence and poise you have is a wonderful thing for us to see every day. We have enjoyed watching you in everything you have attempted, and celebrating with you in your accomplishments.

Your zest for learning will take you far, and we can't wait to watch you in your next phase of learning and life. Thank you for being who you are, and our daughter. – Mom and Dad

Katy,

We are so proud of you and your accomplishments, but most importantly we are proud of the compassionate spirit you share with those around you. Delight in the day!

Love, Mom, Dad & Aubrey

Ashley,

You have become an intelligent, beautiful, and considerate woman. You have made me so proud, prouder than you will ever know. I want to thank you for all the wonderful memories you have given me throughout your life so far. And, thank you for all of your

help. With so many of your own activities and personal responsibilities, you were still there to help with family issues. You have been working hard. I appreciate you being there, helping, making life easier, and doing the right things. But most of all, thank you for You. You give me so many reasons to be proud of you. I couldn't ask for more.

The future is up for grabs. There is so much more out there. Keep it up and you will fulfill all your dreams. I know with your ideas and determination, you will succeed. You are bound for great things. You have the potential to achieve all that you wish for. And, if you ever need me, you know I'll be here. Thanks for everything – Mom.

"We've had so many years together at NU. Now, as graduating seniors, we look forward to even better tomorrows. We are anxious to take the step into the next part of our life. Today we graduate not only from this school, but from our childhood. In a sense, all of us enter adulthood as we receive our diplomas today. And with this accomplishment, we dream of bigger and better things for ourselves. We move on with knowledge and understanding that is invaluable. So, as each of you take your diploma in your hand today, remember the yesterdays and always dream of more tomorrows."
